

Hawkswood School Position Announcement

School Principal

Position description:

Hawkswood School is looking for a dynamic, creative, progressive individual with strong leadership qualities to serve as Principal. The Principal role is defined as educational advisor to the executive director, educational leader of the school, and an executive of the organization. Demonstrated leadership skills in the areas of collaborative team building, curriculum, staff development, and evaluation are required for this position.

Hawkswood School, formerly School for Children, now celebrating 40 years, is a private school in Eatontown, New Jersey, approved by the New Jersey Department of Education to provide special education services and supports to students with disabilities. We are committed to empowering students with disabilities to be self-expressed, self-directed and contributing members of their families and communities.

Please visit our website to learn about who we are and what we do:
www.hawkswoodschool.net

The start date for this position is July 1, 2017. We are accepting applications through May 30, 2017.

Hawkswood School offers an excellent salary and benefit package.

Experience and educational requirements:

- Master's degree in school administration
- New Jersey Department of Education Certification as Principal.
- Minimum of 3 years successful experience in educational leadership.

To apply:

Please send a letter, resume and a copy of your New Jersey Principal Certification to Saralyn Calafati, Human Resources (jobsearch@hkwood.net) if:

- You provide leadership that is aligned with the vision and core values of this community.
- You value and model integrity, transparency, passion, innovation, insight and initiative.
- You are outcomes-oriented and can lead an evidence-based teaching model.
- You are a team builder and support consensus based decision-making.

EOE/MF. Hawkswood School is an Equal Opportunity Employer
