

Employment Opportunity

P.G. Chambers School welcomes qualified candidates to fill the position of

Director of Physical Therapy

Primary Responsibility: To contribute to the goals and objectives of P.G. Chambers School by developing and managing quality physical therapy services for children enrolled across all organizational programs.

Scope of Responsibilities:

Leadership

- Provides the leadership to create and maintain high quality physical therapy services that align with the P.G. Chambers School mission.
- Articulates the core values, mission, and vision of the organization and contributes to the development of the organization's strategic plan.
- Collaborates with program directors to ensure that each child receives the services outlined in his or her individual education program across the organization, including the School Program, Community Services, Kids Count Child Care, Early Intervention, and Private Therapy programs.

Clinical Supervision and Professional Development

- Ensures the highest standards of physical therapy practice by staying current with the APTA's professional standards of best practice and by investing in professional and personal growth.
- Provides supervision, mentoring, and coaching for the physical therapists to facilitate their professional development.
- Facilitates and coaches collaborative teams to meet the unique needs of each student.

Program Development

- Develops and implements physical therapy programs that contribute to the organization's strategic plan.
- Organizes regularly scheduled opportunities within the physical therapy department for clinical education, teaching and coaching.
- Provides physical therapy trainings for educational staff and other related services providers across the organization, including new staff orientation trainings.

Clinical Skills

- Performs all duties of a staff physical therapist, which includes providing direct physical therapy services following the student's individual education plan.

Qualifications:

- Bachelor's Degree in Physical Therapy from a program accredited by the American Physical Therapy Association.
- State of New Jersey Physical Therapy License
- New Jersey Department of Education School Physical Therapist Certification.
- Five years of professional experience, preferably in pediatrics.
- Minimum 2 years supervisory experience
- Strong verbal and written communication skills
- Proficient computer skills
- Physical ability to lift 40 lbs.
